

# TANZANIA FEEDBACK !

- ✦ “Amazing – I’ve seen amazing things, made friends for life, lived in a beautiful place and had an experience I will never forget” **Jenny Stutchbury, Tanzania, July 2008**
- ✦ “The best bits were the building and the lifestyle – community and our little group life! Lovely getting to know the locals, like going to the local tailor and hairdresser” **Katrine Thorup, Tanzania, April 2008**
- ✦ “Liz was everything you could want in a crew member. Friendly knowledgeable and always up for a laugh. She had it all organised very well at the building site, helped us to know our aims for the end of every week” **Katrine Thorup, Tanzania, April 2008**
- ✦ “Felt really at home and a part of the community from day one. This made the experience so much more rewarding and allowed me to experience African life” **Rachael Hosker, Tanzania, April 2008**
- ✦ “Lizzie was the best crew we could ever have asked for. She was full of energy and enthusiasm, and always determined to make our project and overall experience a success” **Aimee Louise Smith, Tanzania, April 2008**
- ✦ “There wasn’t one best bit – but many! The welcoming ceremony was breath taking, interacting with the children, the completion of the new classroom and finally playing football with the locals. No to mention climbing Mount Kilimanjaro as well!” **Sam Ward, Tanzania, April 2008**
- ✦ “It was good to see it start to finish, not just one section of it. To do all kinds of work, heavy work and cement mixing to plastering and painting, it feels good to complete it”. **Rebecca Gent, Tanzania, April 2008**
